Hello my name is Christine Egerton-Warburton, I am a mother, wife, employee and a business owner and am passionate and stubborn about everything I put my mind too. I have lived in Wandering for seven years now. I grew up and have lived in small towns, some smaller than Wandering and have been an active participant in playgroups, progress associations and various other community groups.

I am running for council as I feel it is my next learning curve, learning about the running of councils, helping our town to grow as a whole and representing the residents of Wandering.

I was once told you can do anything you want, all you have to do, is have the money and determination to move forwards and get the job done. I don't have money but who does? What I do have is the determination, passion and the skills to listen and learn. This is what I feel will make me a good councilor.
