Candidate name	Gillian Kaye HANSEN
District	Shire of Wandering
Nominating for	Councillor for Shire of Wandering
Election type	Ordinary
Enrolment status	HANSEN, Gillian is eligible to stand for election as a resident of the Shire of Wandering.

My name is Gillian Hansen

I was born in Narrogin WA and have spent most of my life driving trucks or farming. I also have a Military background from 1982-1985.

I have lived in Wandering for 15 years, I am President of the Wandering Lions Club and also involved in Wandering Campout committee. I have also been a councillor for the past 3 years this has shown me where and how our rates are used within the Wandering Shire. Being a councillor has been a challenge as most of you who know me, know I am passionate about my views.

My vision is to see our little town grow into a beautiful place that not only brings new and exciting people into our area but also new business's into our industrial area. Over the next 5-10 years I would personally like to see growth including new housing, a shop, age care and business's that can offer jobs and security.

To see our little town flourish would be a dream that I hope all residents are looking forward too

Thank You

Gillian
