REPORT to UPGRADE COMMITTEE
9 March 2025

Since the last Project Manager report, the following items have taken place and are presented to the Community Centre Upgrade Committee Meeting on 12 March for consideration and acceptance:

Community Centre Kitchen Upgrade:

The five Solartube skylights have been installed through the external roof sheeting. The internal ceiling diffusers will be installed once the ceiling plasterboard sheeting has been completed.

The installation of the ceiling framework has been completed, however the lining cannot be installed until Metro Steel Services has completed the manufacture and installation of the rangehood canopy over the ovens. Metro needed to have the framework and wall linings up in order to do a final measure prior to manufacture.

At my last site visit it looked like the preparation work was being done for the relaying of the paving around the carpark end of the store room.

The contract completion date remains at 30 April 2025.

Community Centre Internal Amenities Upgrade:

No further action in this period. Awaiting a funding source to proceed.

Community Centre External Amenities Provision:

No further action in this period. Awaiting a funding source to proceed.

Community Centre Barbeque:

No further action in this period. In the meantime, the original barbeque is still serviceable.

The Committee discussed the installation of the new bar-b-que and the appropriate gazebo required to provide protection, particularly from the sun, for the benefit of all users.

The Committee felt that their involvement with the bar-b-que and gazebo would help bring their project involvement to a conclusion, subject to Council's agreement.

The Committee would seek to gain community support for the project including funding and in-kind for installation as the new facilities would be of benefit to the entire community. Some minor assistance may be required from Council staff during the installation of the facilities.

It may be possible to combine this work with the proposed fencing of the playground at the Community Centre and make it a larger community project.

050225C Moved: Cr Gillian Hansen

Seconded: Darralyn Ebsary

Committee Decision:

That the Committee offer to manage the bar-b-que and gazebo part of the Community Centre Upgrade project on behalf of Council with community input both financially and in-kind to the project and in discussions with Council Administration.

Financial Update

The Acting CEO gave an update on the funding for the Community Centre Upgrade project and the need to find the funds to see the current work completed.

Any further upgrades would need to be put on-hold until external funding sources can be confirmed to allow planned works to commence.

6. Closure of Meeting

The meeting was declared closed at 7.37pm.
