President's thoughts on 150years of Local Government for Wandering.

It is the perfect time to review the last 150 years of the existence of firstly, the Wandering Road Board and then the change to Wandering Shire Council in 1960. Most importantly to me is the fact that for this period our community has had the major control of its own destiny. As a small Shire that is a great achievement. What a great decision those early settlers made when they chose to be a separate Road Board. What a great effort over the following 150 years for successive representatives to maintain the independence we still enjoy.

Over my period in local government some small councils like ours have lived with the fear of being absorbed by other shires, perhaps a forced amalgamation. In recent years the challenges to remain sustainable are constant and Councillors regularly must make decisions that meet with community expectations, remain within budget limits and stay within the jurisdiction of the Local Government Act. Our survival for the 150 years that we now celebrate should never underestimate the part our wider community play. Whether it be sporting clubs, service bodies, firefighting brigades, various religious groups, the list is large and importantly includes the role Councillors play. Without community members continuing to readily fulfil this role, all the historic work towards building a strong independent Shire will be at risk. I am optimistic that Wandering Shire can continue to have a sound future as a local government with many avenues of development possible in the years ahead. We may well be somewhat unique in this respect.

The 150th celebrations planned by our hardworking community group should make a very enjoyable event for both current and past community members. The program has a real history focus but includes fun events for all and of course the opportunity to catch up with many old friends. I ask that each one of us make every effort over the next couple of weeks to invite friends young and old, from far and wide to attend and help make it an event to remember for at least the next 50 years. I look forward to seeing our community in celebration mode during the 13th and 14th of September in our scenic and progressive town, Wandering.

Cr. Ian Turton JP. Shire President.

President Cr Ian Turton
Shire of Wandering

Dear Cr Turton

Wandering 150th Anniversary

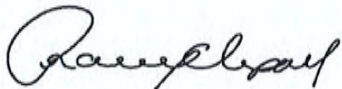

On behalf of the Western Australian Local Government Association, I would like to extend congratulations to the Shire of Wandering on the 150th anniversary of the Wandering Road Board, constituted on 6 October 1874.

To yourself, all Elected Members, staff and residents of the Shire, past and present, be proud of the contributions you have made towards the Shire of Wandering. 150 years of representing and supporting local communities is a significant milestone.

Just as the nature of Councils has changed over time, so too has the nature of our own lives. It is an immense achievement that Local Governments have adapted and evolved to meet the changing needs and aspirations of our communities, and I am confident we will continue to do so well into the future.

I am aware you will be coming together as a community in September to celebrate this incredible anniversary. It is wonderful that you will be coming together to celebrate, share your experiences and reflect on what it means to belong to the Shire.

Yours sincerely

President Cr Karen Chappel AM JP

Look How Far We've Come

We found the land and turned it into crops and homes. We built places to come together, to share our time and make memories to behold. Over time we changed the dusty roads to better suit the faster cars and bigger trucks, but they are the same roads that still lead us all home. Some buildings lasted the test of time, others a mere pile of rubble lost in the scrub.

The waterways still flow through the sweeping plains, albeit maybe a little different now. Beside them we still meet and children explore, the leaf boats taken by the current in the winter and mud footprints in the midst of the laughter and chatter when the rains begin to slow.

Our visitors marvel at the display of yellow once a year. They tell us we're crazy for living in the coldest place in WA, but then they're quick to wonder where the swimming pool is as the paddocks turn to shades of brown once more.

We've watched as our local children became adults, with their own journey and memories made, they now take the reins to lead the way forward.

Our place has been shared with many people who have come and gone. We ponder where they are now and the what would've been. We celebrate the wins and the losses over the time, as we reflect on the history we're proud of and the lessons we've learnt. The plentiful memories come by once again, as we dust off the albums and look through the photos, to help us mark 150 years. The 'remember when...' and the 'I haven't seen them for years...', as the stories begin to flow. Thankful for every click of the camera from back then, because in the photos are the only way we get to see some of those faces now. A mere reminder of how fleeting life is.

What started out as land unknown, is now marked on the map as Wandering. The tractors and mobs of sheep may be bigger now, technology in every home, less paper and more devices. But look how far we've come. We made it to 150 years. It's time to celebrate the place we proudly call home.

Milestones at Wandering CWA

2024 sees CWA of Western Australia celebrate its centenary. 100 years of uniting women and strengthening communities.

Our Aim

To improve the wellbeing of all people by promoting courtesy, cooperation, community effort, ethical standards and the wise use of resources.

Our Purpose

Uniting women and strengthening our communities through friendship, education, service and advocacy.

Our Vision

To be a strong, reputable, relevant voice positively impacting lives and communities throughout Western Australia.

At August's CWA meeting, Vice President Deonne Kingsford presented Jacquie Cornish with a certificate of appreciation for her 66 years of service to CWA and the Wandering CWA branch.

Also received was a framed certificate to celebrate Wandering's branch for 70th year of service to the Wandering community.

Wandering's 150th Anniversary - The CWA rooms will be open on Saturday 14th September from 10am – 1:30pm displaying memorabilia of over the decades. The CWA members have compiled a cook book to commemorate its 70 years. This will be sold on the day.

There is also a competition to see who has the oldest CWA cookbook in the Wandering district. There will be envelopes provided at the CRC to leave your book in to go into competition. These will be displayed on the day and winner will be announced that afternoon at Community Centre.

Jacquie with the assistance of the girls at the CRC have compiled an information board with Wandering's CWA history which will be displayed at the Community Centre with other family and community group information. She has been the custodian of so many photos over the years. If it was ever needed to know what event had taken place, or when, Jacquie would be able to produce photos or paperwork from her vast archives.

Even with digital photos today, Jacquie always gets a hard copy to share with everyone in a variety of albums she has compiled.

Congratulations Jacquie and well done.

Wandering Golf Club would like to thank a Local Legend Brandy's Hire

After a couple of years of procrastination and discussions, the Wandering Golf on Saturday 13th April undertook the huge task of rebuilding our #9 Green.

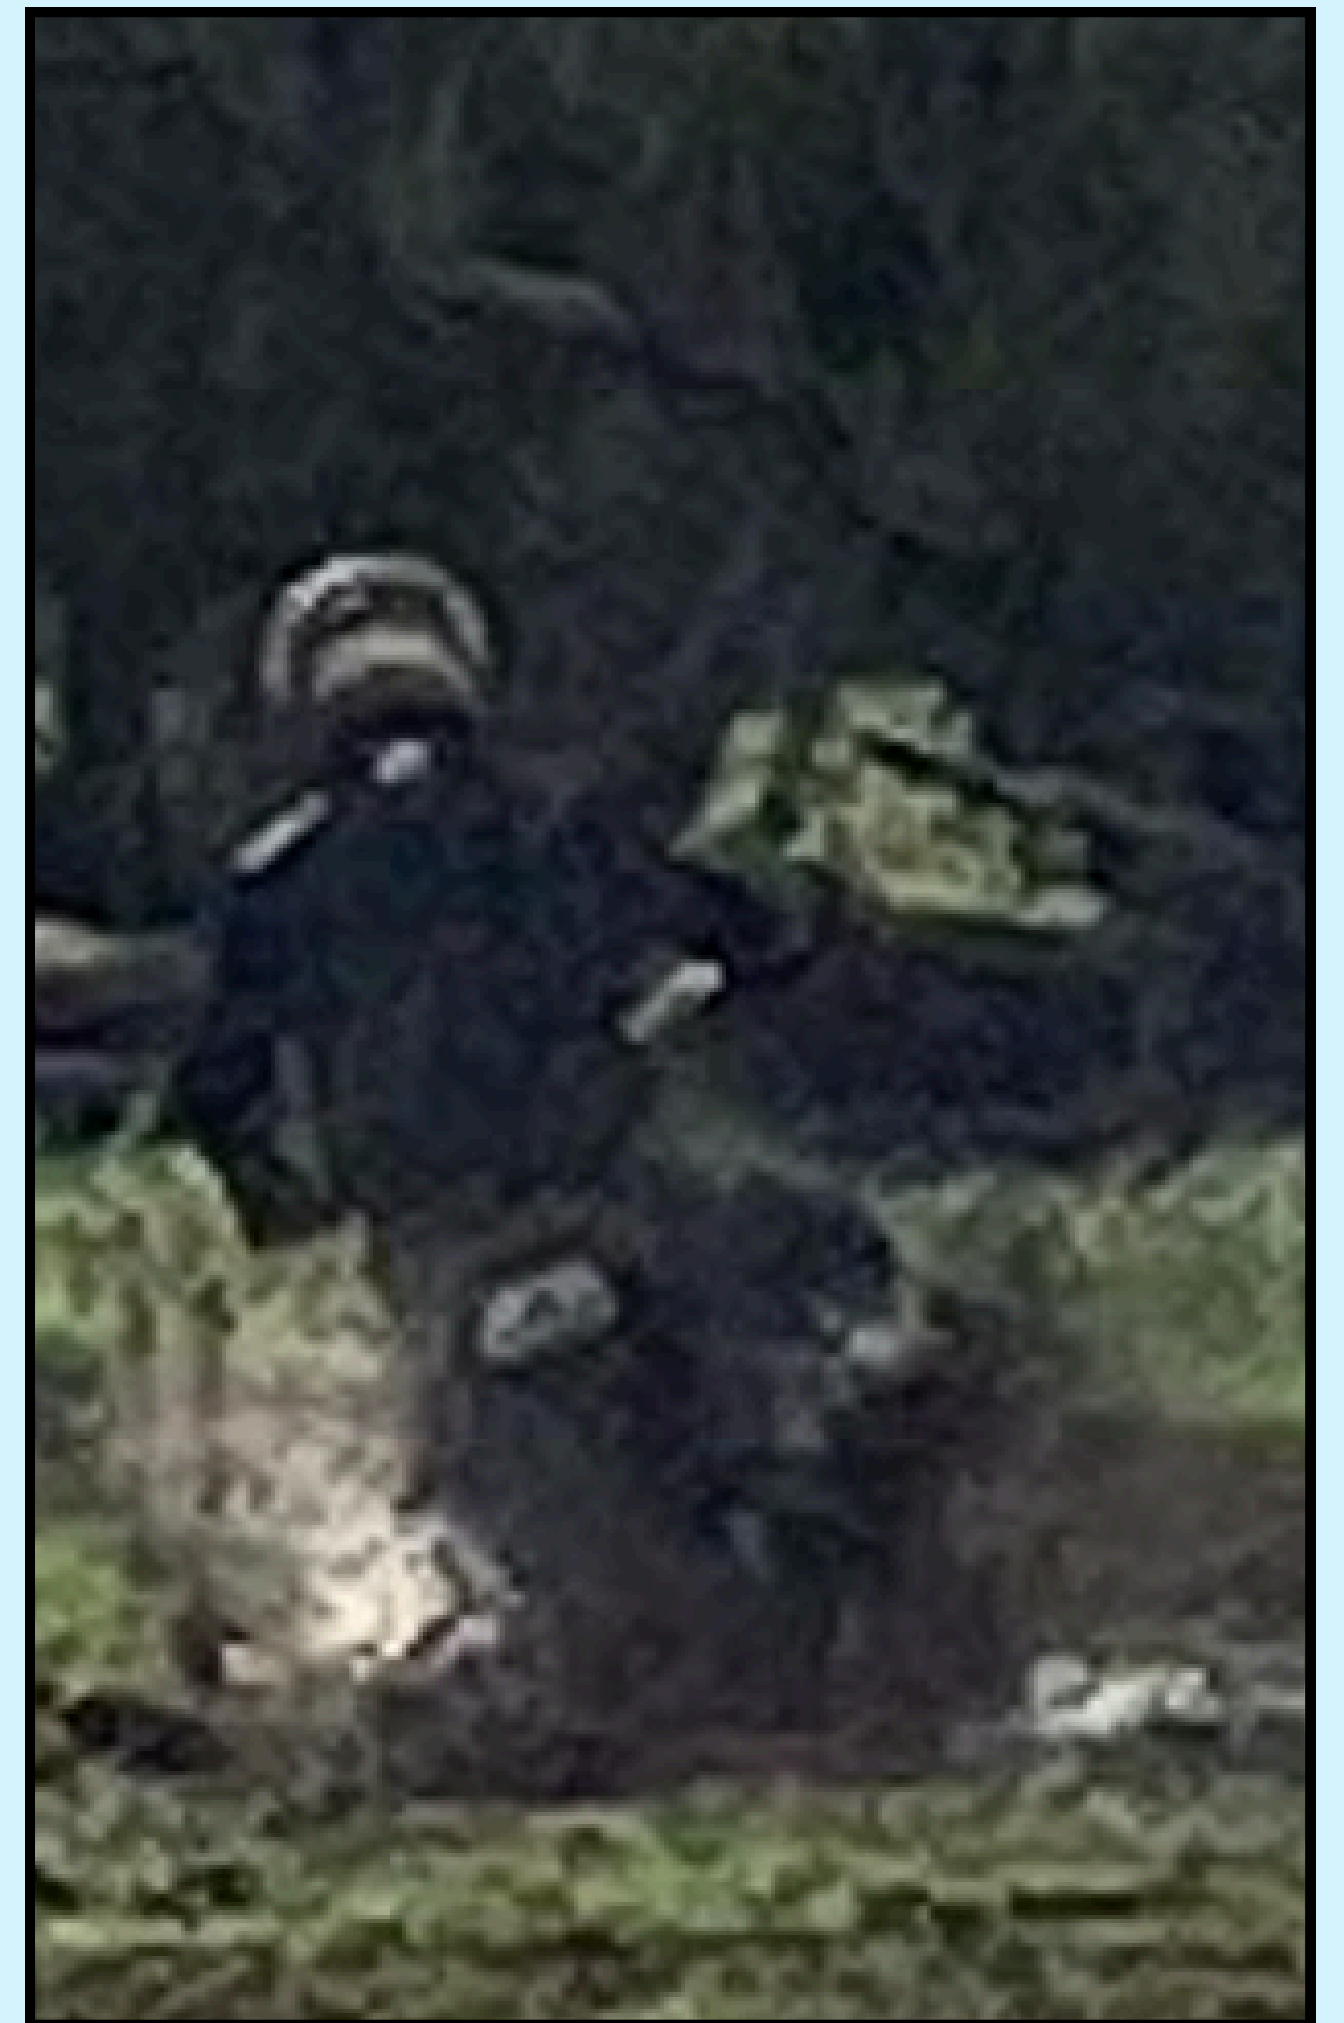

A loyal band of members including Brad Hunt, Paul Treasure, Jarrod Wigham, Brendon Hardie, Cam Hardie and Bill Schorer did the heavy lifting on the day. We would also like to thank Brad Hardie for allowing us to use yellow sand from his Dwarda pit which was arranged by Jon Hardie.

However, the **“biggest shout out”** goes to Neil Brand from Brandy's Hire. A former member and regular player of years gone by, Neil was approached to see if we could hire his services and their Posi Track. Without hesitation Neil and his can-do attitude said....“yep no problems, when do you want me”. It gets even better, when the question of payment came up Neil said, consider it a donation! These photos will not do it justice but Neil's skill with this machine were integral to getting this green finished off at such a high quality.

So thank you to all the members and those who supported this project. After hosting two large tournaments in the last month the green was well used and has really stood up well, testament to the hard work put in.

WANDERING LIONS

The annual Millfarm Scramble was held on Sunday the 24th at Fergusons with many enthusiastic vintage bike owners and riders.
 The steady winter rain events made the track muddy at one or two places adding some mud to the fun.
 A great spectical, thrills and spills, very well run with plenty of colour and noise.
 The participants and audience needed breakfast and lunch
 SO LIONS WERE THERE

Toasted bacon and egg burgers, enjoyed by the patrons and served by the Lions team.
 Lions team up with the Fireys on the day.

A Local Government golf tournament was hosted by the Wandering Golf Club with more than 70 participants from many Shires of the Great Southern and Wheatbelt.
 The course was in magnificent condition and the visitors to the course and to Wandering town could only be impressed. Well done to the many organizers who made the two day event so successful.
 AND LIONS WERE THERE providing breakfast on both days.

2024-25 RATES INFORMATION

On behalf of the Wandering Shire Council, I am pleased to present the key infrastructure and maintenance projects planned for 2024/25. I believe it reflects the ongoing commitment by the Council to the Community that Shire assets are developed and maintained within a responsible budget.

The following details are the major Capital investment projects planned for this financial year and include both Council and Grant funds:

Project	Budget
North Bannister Wandering Road – WSFN	\$907,000
York Williams Road Bitumen Seal 3km (Northern Portion)	\$558,000
Industrial Land Development	\$440,000
Various Gravel Re-sheets – Deans Road, Joe Kelly Lane, Herdigan Road and Kubbine Road	\$261,000
Wandering Community Centre Upgrade	\$182,000
York Williams Road Bitumen Seal (Southern Portion)	\$159,000
Road reseals – Cheetaning Street, Gnowing Street, Entrance to Caravan Park	\$148,000
Bannister Road seal – 200m from Albany Highway	\$41,000
Bridge re-profile and seal – Wandering Pingelly Road	\$37,000
Crossman Dwarda Road (repair sub-base)	\$34,000
New Bike Path-Caravan Park	\$33,000
TOTAL	\$2,800,000

York Williams Road

2024-25 RATES INFORMATION

The Council continues to place a high commitment to maintaining our Shire's Road network as well as supporting and improving more general community requirements. The following details cover such expenditure.

Roads Maintenance	\$976,600
Parks and Gardens Maintenance	\$193,800
Wandering Community Resource Centre	\$296,200
Maintenance of Council Owned Buildings	\$81,000
Bridge Maintenance	\$41,200
Tourism Promotion	\$101,600
Council Support for Community Groups and Events	\$15,000
Street Lighting	\$10,500
Footpath Maintenance	\$6,000
Total	\$1,721,900

The Council continues to face many challenges (as do other similar smaller Shires) and are very grateful for the financial assistance received in the form of grants etc from Federal and State Governments. That support totals \$659,000 in the Wandering Shire's 2024/25 Budget.

I thank the Council, our employees and the Community as a whole for their support and guidance over the past financial year. I look forward to their assistance in working within the bounds of this new budget and continuing the steady development of the Shire and its services.

PetsWA

a central
register of
dogs and cats

PetsWA will replace all dog and cat registers currently managed by individual local governments with a single online system accessed by pet owners, local governments, rangers, rescue organisations and other users state wide. This centralised Registration system is being designed to identify and stamp out potential cases of puppy farming through improved data collection, breeders and transfers across WA. The new system will be launched in 2025.

Wandering Community Centre Upgrade Update

The Committee have been meeting monthly and have recently tendered for the upgrade of the kitchen and store room facilities. Council will consider the committee's recommendation to accept a tender from Stallion Homes in September and these works are expected to commence towards the end of September.

2024 LGIS Inter-Municipal Golf Tournament

The Shire of Wandering was thrilled to host the 2024 LGIS Inter-Municipal Golf Tournament on 22nd & 23rd August. Our golf course was in outstanding shape, receiving glowing praise from all who played.

While we didn't see a Hole in One courtesy of SVG – South West Vehicle Group this year, there were plenty of impressive near-misses that kept everyone on their toes.

We extend our gratitude to Newmont for their generous accommodation, which was instrumental in making the event possible. A huge thank you to the golf club for providing the venue and catering for the event.

The Avon Waste, LG Corporate Solutions for Scroungers Day on Thursday provided a fantastic opportunity for participants to enjoy the course, despite a few light showers. The official LGIS event on Friday brought a bit more rain than anticipated, but it did nothing to dampen the spirits of the players. There was plenty of laughter, delicious food, and a great sense of camaraderie throughout the event.

The Shire of Wandering extends heartfelt congratulations to the Shire of Kellerberrin, who will have the honor of hosting next year's tournament. We look forward to another fantastic event in 2025!

Australian Government

The Australian Government is introducing the **New Vehicle Efficiency Standard**.

From 2025, people in Australia will have more choice to buy cars that are more fuel efficient. More efficient cars use less fuel which costs less at the petrol pump.

Increasing fuel efficiency

85% of cars sold worldwide

are covered by a **New Vehicle Efficiency Standard**.

BUT

1.1 million cars

sold in Australia in 2023 were not required to meet any level of fuel efficiency.

On average, cars in Australia use **20% more fuel** than cars in the US.

That means that for every litre of fuel we buy, we pay more at the petrol pump but we drive fewer kilometres.

Car manufacturers will be encouraged to offer a wide range of fuel efficient cars for sale.

This means more choices to buy fuel efficient cars including diesel, hybrid, electric and petrol.

Saving money

We can expect around

\$95 billion

in fuel savings to Australians by 2050.

More fuel efficient cars will come into the second hand market.

Australian Government

The Australian Government is introducing the **New Vehicle Efficiency Standard**.

From 2025, there will be more choice to buy new cars that are more fuel efficient with low or no emissions, that are better for the environment.

Cars make up about 60% of transport emissions in Australia

To meet emissions targets

Car manufacturers and suppliers will be encouraged to offer a wide range of

**fuel efficient,
low or no emissions
cars for sale.**

We can expect around

\$5 billion

in health cost
savings by 2050.

Improving air quality

Reducing emissions means the quality of the air we breathe will improve.

**Lowering
emissions**

Helping Australia reach
'net zero' goals.

We can expect around

**321 million
tonnes**

of reduced emissions
by 2050.

Australia is introducing the New Vehicle Efficiency Standard

As we move towards a more sustainable future, the Australian Government is introducing the New Vehicle Efficiency Standard (the Standard).

What is the New Vehicle Efficiency Standard?

- Starting in 2025, people in Australia will have more choices to buy new cars that are:
 - More fuel efficient with low or no emissions.
 - Better for the environment.
- The Standard is a regulatory measure that will set emissions targets for new cars sold in Australia.
- It encourages car manufacturers and importers to offer fuel efficient, low and zero emission vehicles.

Why implement the New Vehicle Efficiency Standard?

- Over 85% of the global car market has a fuel efficiency standard in place, including the EU, USA, New Zealand, China, India and Japan. Australia is joining the natural progression towards sustainability.
- The Standard also keeps Australia on track to meet our goal of 'net zero' emissions by 2050.

How will it work?

- Incentives and penalties will be applied to car manufacturers to encourage the supply of fuel efficient, low or no emission cars.
- Car manufacturers will have a set average target of vehicle emissions to meet each year.
- The Standard will only apply to new vehicles sold in Australia.
- The Standard will mean those looking to buy a new car will get more fuel efficient choices in the cars they like to drive whether they are diesel, hybrid, electric or petrol.

What are the benefits?

Saving money

- Australians who buy a new fuel efficient, low or zero emissions car can expect to save money at the petrol bowser every day.
- As a country, Australia can expect around \$95 billion in fuel savings by 2050.
- People who live in regional or rural areas drive greater distances. For those who buy a new fuel efficient car from 2025, they can expect to benefit from even greater fuel savings.

Better for the environment and our health

- Currently, transport makes up 21% of emissions in Australia, and of this, cars make up 60% of all transport emissions (12.7% of Australia's total emissions).
- The Standard will be better for the environment and will help reduce fuel consumption per kilometre. This will help Australia reach 'net zero' emissions.
- Less polluting cars will improve the quality of the air we all breathe and Australians will benefit from around \$5 billion in health savings by 2050.

More choice in new fuel efficient cars

- To meet emissions targets, car manufacturers and suppliers will be encouraged to offer an increased range in fuel efficient cars for sale. This means there will be more hybrid and electric vehicle choices, and more petrol and diesel choices, including those available in other markets.
- As more of these cars enter the market, it is expected there will be an increase in fuel efficient cars available in the second hand market.

Discover St Martin's

Your Church in Wandering

Every fourth-Sunday at 2pm
and in Williams every Sunday 10:30am

Q: How can I get support?

Answer: Whether you need spiritual guidance or just a **listening ear**, we're here. We offer **prayer**, home visits, and support for those going through tough times. Reach out to us through someone at church, the **website** (QR code below), on 9885 1174 or by email to office@gatewayparish.org

Q: What's unique about Sundays at St Martin's?

Answer: Worship is a blend of traditional Anglican and contemporary elements, aiming to make it meaningful and accessible to all. **We focus on Jesus Christ.** It's all on the screen, with no prayer-book page-flipping! Our services include a mix of hymns, modern songs, and a relevant, inspiring message from the Bible. We celebrate Holy Communion most Sundays. You can participate as much or little as you like! There's always time for fellowship over a **cuppa afterwards**, and kids have activities available.
