## Visiting Chiropractor

Commencing in July the community will be able access the services of a chiropractor who will be operating out of the Shire Offices. Nervana Chiropractic in Kelmscott has kindly offered their services and will be available once a week for consultations. Interested persons can contact Dr Candice Haynes directly on 6396 5000 for further information.

## Bowling Green / Tennis Court Refurbishment

The construction of the Bowling Green is nearing completion and will be finalised in July. The refurbishment of the tennis courts will take place upon the completion of the bowling green project and weather permitting the Tennis Courts will be resurfaced in the very near future.

A very big thank you to everyone who has used the Community Centre in the past months for your patience with the construction of the above projects. It has certainly been an inconvenience for everyone concerned during this time but hopefully it wont be for much longer and the end result will have been worth the wait!

## Recreation Park

Site works for the recreation park are currently being finalised and the skate equipment has been completed. Once the site works are finished then the concrete pad can be laid for the skate equipment to be installed in July/August.

## Waste Transfer Facility

Site works for the waste transfer facility at the existing Wandering refuse are being completed with construction of the loading bay to commence in July.

Once complete, non-recyclable waste will be stored and transported to alternate sites and the existing tip will be rehabilitated.

The project is 100% funded by the State Government's Country Local Government Fund.

## Cat & Dog Registrations

Do you have a cat or dog? Did you know that it is now a requirement to have all cats and dogs over the age of 3 months registered? The registration period runs from 1 November to 31 October each year and for more information please contact the Shire Office.
