1. OBJECTIVE

Objectives of this Policy are stated as follows;

- To provide clear standards as to what constitutes an acceptable type of outbuilding on certain land types.
- To ensure that the style, materials, condition and design of an outbuilding are acceptable and in keeping with community standards.
- To provide a process for approving outbuildings.

2. PRINCIPLES

The Shire of Wandering acknowledges that outbuildings are important component of most land developments. In order to ensure that the existing standard of development and related level of amenity currently enjoyed within the Shire is not compromised it is essential that controls are put into place to ensure that any outbuilding meets a high standard of appearance and condition.

An outbuilding is defined in the Residential Design Planning Codes of Western Australia as being;

“An enclosed non-habitable structure that is required to meet the standards of the Building Code of Australia and is detached from any dwelling.”

3. APPLICATION

The Policy is adopted as a Town Planning Scheme Policy pursuant to Clause 2.1 of Town Planning Scheme No. 3. If there is any inconsistency between the Policy and the Scheme, the requirements of the Scheme shall prevail.

All relocated dwellings must comply with the requirements of the following:

- Shire of Wandering Town Planning Scheme No. 3.
- Residential Design Codes of Western Australia.
- Planning and Development Act 2005.
- Health Act 1911.
- Building Code of Australia.

This Policy applies to all proposals to construct an outbuilding on all Residential, Rural Residential and Rural land within the Shire of Wandering.

Within all Residential, Rural Residential and Rural zoned lots with an area of 2ha or less, planning approval is not required for outbuildings appurtenant to any dwelling, provided all boundary setbacks and building separation requirements have been complied with, the building is of single storey construction, located behind any dwelling on site and provided the proposed development complies with the following:
