**3. DISCLOSURE OF INTERESTS**

**DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE) (updated 13 March 2000)**

A member who has a Financial Interest in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest:

- (a) In a written notice given to the Chief Executive Officer before the Meeting or;
- (b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- (c) Preside at the part of the Meeting, relating to the matter or;
- (d) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the Local Government Act 1995.

**NOTES ON FINANCIAL INTEREST (FOR YOUR GUIDANCE)**

The following notes are a basic guide for Councillors when they are considering whether they have a Financial Interest in a matter. I intend to include these notes in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measured in money terms. There are exceptions in the Local Government Act 1995 but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc., and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e. if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.

4. If in doubt declare.
5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it MUST be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The only exceptions are:
  - 6.1 Where the Councillor discloses the extent of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the Local Government Act; or
  - 6.2 Where the Minister allows the Councillor to participate under s5.69 (3) of the Local Government Act, with or without conditions.

## **INTERESTS AFFECTING IMPARTIALITY**

**DEFINITION:** An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'. A member who has an Interest Affecting Impartiality in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- (a) in a written notice given to the Chief Executive Officer before the Meeting; or
- (b) at the Meeting, immediately before the matter is discussed.

## **IMPACT OF AN IMPARTIALITY CLOSURE**

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote.

With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

#### PURPOSE OF THE REPORT

Council had approved renovations to 14 Down Street in the 2017/18 Annual Budget, recent quotes for works have indicated that works proposed are likely to exceed the budgeted amount and the Shire Administration is seeking Councils approval to increase the budget for the renovations in an effort to get the works finalised this financial year.

#### BACKGROUND

The Council has planned to undertake improvements to 14 Down Street in an effort to improve the amenity of the Shires housing stocks and to improve the current living conditions. The 14 Down Street property is one of Councils oldest houses, however it is a good size that provides adequate living space to either a family, couple and/or single tenant. The House however has had no documented improvements or renovation in over 15 years, and has deteriorated to an unsatisfactory level. Council had budgeted to undertake minor improvements, however quotes are exceeding budgeted amounts and the Shire Administration is seeking an increase in funds prior to proceeding with the project and facing budget shortfalls.

Council has an average housing stock of 7 homes, this is planned to reduce to 6 over the coming weeks, once settlement on 1 Michibin Street is finalised. Of the 6 homes one is rented until January 2020 to the Department of Housing to provide housing for the Wandering Primary School, The Department has an option to extend for a further 5 years which may be exercised in June 2019. This leaves five homes of which currently 4 are allocated or occupied. Current housing stocks in Wandering in general are limited and rentals on offer are of a medium to low standard.

## COMMENT/ DETAILS

Having reviewed current and future staffing requirements it is the Shire Administrations opinion that 14 Down Street is a sound home that warrants investment. The house being a brick and tile 3x1 home is one of the better houses in the Shires housing portfolio. It is a nicely laid out home, with ample family living space. Whilst the renovations do require a significant investment by Council it is considered worthwhile to improve the amenity.

Council had approved \$14,000.00 in the 2018/19 Annual Budget to undertake repairs to ceiling, minor bathroom renovation, painting and new carpets. Unfortunately given the level of deterioration in the home this amount won't cover the level of works anticipated.

Bathroom renovations have been quoted at approximately \$7,500 without the inclusion of trades by both Clarkey Carpentry and Tony Edwards, this will use up a significant proportion of the allocated funding as trades are conservatively estimated at \$2,500.00 leaving only \$4,000.00 to finalise the works.

Taking this into consideration and reviewing the project the following revised budget is proposed:

• Bathroom renovation including replacing ceiling (replacing like for like)	\$11,500.00
• Painting internal (inclusive ceilings and filling etc)	\$ 6,000.00
• Carpets throughout house	\$ 4,500.00
• Electrics – up grade lights and fans	\$ 3,500.00
• Window Treatments throughout house	\$ 3,500.00
• Misc – Minor Kitchen repairs and repairs to back patio	<u>\$ 7,500.00</u>
Total	\$36,500.00
2018/19 Budgeted figure	\$14,000.00
Shortfall	\$22,500.00

**\*\* This budget has allowed for a 10% contingency, however given the level of deterioration in some instances the full condition and resulting works won't be known until works commence.**

This level of renovation will bring the house up to a reasonable standard, with only minor investment required annually to meet ongoing maintenance needs.

## FINANCIAL IMPLICATIONS

Whilst the increase in funds is unbudgeted, the sale of 1 Michibin Street does provide Council with funds to invest in the 14 Down Street Home.

Council had planned to invest the \$168,563.95 across the Shires Plant and Housing reserves 80/20. This would have amounted to \$33,712.79 being allocated to the Housing reserve. If Council was to approve the proposed increase in expenditure of \$22,500, this would still leave \$11,212.79 for reinvestment.

#### PURPOSE OF THE REPORT

For Council to give consideration to adopting fees and charges relating to services charged within the Wandering Community Resource Centre.

#### BACKGROUND

The Wandering Community Resource Centre charges fees for services and workshops that have been omitted from the current schedule of fees and charges 2018/19. As per the *Local Government Act 1995, Local Government (Financial Management) Regulations 1996* a local government may impose and recover a fee or charge for any goods or services it provides or proposes to provide.

#### ATTACHMENT 10.3.1.1

#### COMMENT/ DETAILS

The Wandering Community Resource Centre (WCRC) is operated under the financial management of the Council hence the requirement to adopt fees and charges associated with the operation of the business. As the WCRC has evolved it is providing further services to the community in areas of training, workshops and food service. To be compliant under the Local Government Act, these associated fees are required to be adopted by Council.

The fees and charges to be applied to new items have been determined by

- the cost to the WCRC or providing the service or goods
- The importance of the service or good to the community; and
- The price at which the service or good could be provided by an alternative provider
